Principal's Message

"Education is not the filling of a pail, but the lighting of a fire." —W.B. Yeats

At Sunol Glen, students, parents, staff, and community members work together to ensure each student receives a rigorous, comprehensive, balanced, and integrated education in a safe and caring environment. Sunol Glen is unique in that we are a one school-school district, which enables us to offer programs and opportunities in such a way that creates a sense of a private school, while at the same time ensure we comply with the rules and guidelines that pertain to California public schools. Critical thinking is highly valued and encouraged; all children have the opportunity to develop this ability as well as to become problem-solvers, effective communicators, independent workers, risk-takers, and decision makers. We celebrate the precepts of Mindfulness and encourage our students with the Growth Mindset; indeed, one of our favorite sayings is to remind students that they may not know how to do something YET... but they soon will! Our school, childcare program, and preschool create a prestigious, rigorous, and safe environment whereby children thrive and become academically, socially, and emotionally successful in readiness for college and careers.

The vision of Sunol Glen Unified School District is to inspire and engage all students to become lifelong learners and productive citizens.

Our Mission statement encompasses our belief: We, the Sunol Glen community, strive to inspire and prepare students as leaders, scholars, stewards and citizens of our diverse and evolving world! We provide a safe and stimulating environment that enables students to think critically and creatively, work collaboratively with others, and be mindful citizens.

The Sunol Glen Unified School District is located in the town of Sunol in Alameda County. Our school serves students in grades K-8. Eighty percent of our students are interdistrict transfer students who choose to come to our district from neighboring districts. Students are our priority. The staff is dedicated to reflecting on their teaching practices, sharing ideas with each other, expressing concerns honestly, communicating effectively, and modeling a lifelong thirst for learning through their own personal and professional growth. The Sunol Glen Staff cares deeply for the lives of our students and maintains the highest regard for their success. Parents are essential partners in their child's success and are encouraged to participate in the school community.

Staff, parents, students, and community working together, our students' "fire" will indeed be lit!

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

Sunol Glen Unified School District held a public hearing in September 2020, and determined that the district has sufficient and good-quality textbooks, instructional materials, or science-lab equipment pursuant to the settlement of Williams v. State of California. All students, including English learners, are given their own individual standards-aligned textbooks - access to on-line materials, or instructional materials, or all three, in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the district are aligned with the California State Content Standards and Frameworks and have been approved by the Board of Education. A committee consisting of administrators and teachers establishes selection criteria based on state standards, reviews instructional materials on the state list, and makes recommendations to the board of trustees. All textbooks at Sunol Glen are in adequate supply and fair-to-excellent condition. The district places great emphasis on providing students with the most up-to date, standards-aligned textbooks, on-line programs and instructional materials.

All Sunol Glen students are offered music and art. The music students perform at the annual holiday program, and again at the annual spring concert. Student artwork is displayed in the main hallway of our school and at an annual Art Show.

NOTE: Both the concerts and the art display opportunities have been placed on hold for the 2020-2021 school year due to the COVID-19 pandemic and subsequent school closures.

School Facility Conditions and Planned Improvements (Most Recent Year)

Sunol Glen School was built in 1925, and currently comprises 11 classrooms, a music room, art room, computer lab, science lab, preschool room, child-care room, a library, a staff lounge, a multipurpose room, auditorium with a stage, and two playgrounds. All restrooms are in great condition.

Cleaning process: The District Governing Board has adopted cleaning standards for the school and the district. A summary of these standards is available at the school office or district office. The principal works daily with the Director of Maintenance and Operations (full time) and the custodian (full-time) to develop cleaning schedules to ensure a clean and safe school.

Maintenance and repair: District maintenance staff members perform the repairs necessary to keep the school in great repair and working order in a timely manner. A work-order process is used to ensure efficient service and that emergency repairs are given the highest priority.

The district received two grants so that the entire campus' irrigation system was upgraded and a new sports court/blacktop was put in during the summer of 2018.

New plumbing in the main building was replaced during the summer of 2012. Reroofing was completed in 2013, and gutter repairs were done in 2014. In 2017 the auditorium HVAC was upgraded, the lighting throughout the campus was replaced with LED lights, and computer controlled thermostats were installed.

Rubber bark replaced with rubber matting on playgrounds in 2020-2021 with WW Grant.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	89	N/A	89	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents play an important role at Sunol Glen through active participation and involvement in School Site Council (SSC), Community Club, Garden Club and other school committees. The community plays a vital role in the success of Sunol Glen School through its strong community representation in the Community Club, which is the social and fundraising organization for the district. Through the Community Club, parents and community members can become involved in the volunteer program, the fundraising program, and the general school participation. The staff relies heavily on the many volunteers who provide classroom assistance, clerical assistance, and funding for special projects and activities.

Parents who wish to participate in Sunol Glen's leadership teams, school committees, school activities, or become a volunteer may contact Administrative Assistant Miki Whitfield at (925) 862-2026. Sunol Glen School's website (www.sunol.k12.ca.us) provides a variety of resources and information for parents, staff, students, and community members.

For more information on how to become involved at the school, contact Community Club President Rene Stilwell at 510-851-0911.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The safety of students and staff is a primary concern of Sunol Glen School. The School Site Safety plan, is evaluated and revised annually by members of the Safety Committee (a sub-committee of the School Site Council); the revisions are then shared with the entire staff. Included within the School Site Safety plan is a disaster preparedness plan, which lays out steps that are to be taken to ensure student and staff safety during a disaster. We currently have an anti-bullying philosophy and have adopted Character Education in which “character traits” are celebrated each month. In addition, we hold school-wide assemblies to promote making good choices and being a good citizen. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Fire and disaster drills are conducted on a regular basis throughout the school year. There is a designated area for student drop-off and pick-up. Certificated staff supervises students for 15 minutes before and after school, and by a yard duty staff member during the lunch period. All visitors to the school must sign in first at the school office and receive a visitor’s sticker. A locked fence encloses the school during the school day. Two additional surveillance cameras were installed in the fall of 2019 to add to our current monitoring system. The School Safety Plan was last reviewed, updated, and discussed with the school faculty in August, 2019. As we are currently in a Global Pandemic due to the Novel Virus, COVID 19, we have not had our annual meeting to discuss our School Safety Plan. Upon the reopening of our school site for 'in-person' learning, we will review our plan and share with our faculty.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	1.0	1.0	
Expulsions	0.0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

In addition to regular evaluations, the Superintendent/Principal meets annually with each individual, on an evaluation cycle, to establish goals, objectives, and methods of assessment for their professional growth. For the past three school years, Sunol Glen School offered three staff-development days annually. In recent years, teacher professional development days were dedicated to analyzing test scores, incorporating Common Core-aligned lessons, working with at-risk students, articulation among grade levels, and integrating technology into the classroom. Additionally, our teachers have all received training for the Lucy Calkin's Reading and Writing programs, the Eureka Math program (grades k-5) and the Go-Math program (6-8). Our teachers have also received professional development opportunities for Next Generation Science Standards as we are in our third year of utilizing Stemscoopes. This year for Social Studies, we are in our second year utilizing Teacher Created Materials for our K-5 classes and Discovery Education for our 6-8 grade classes. Additionally, we have on staff, a Science Specialist, that provides demonstration science lessons in the lab and provides 1:1 support for our teachers as they incorporate this new curriculum into their lessons.

Due to the COVID-19 Pandemic, we have also provided a number of trainings on using platforms such as Zoom and Google Meets to provide for Distance Learning (virtual) for our students.

Types of Services Funded

In addition to general state funding, Sunol Glen Unified School District receives approximately \$1,780 per student in state and federal funding for the following categorical, special education, and support programs:

- Federal, Special Education
- Economic Impact Aid (EIA)
- Instructional materials
- Small Rural School, Title VI
- Improving Teacher Quality, Title II

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
